sharing at the Southeastern Spanish District Powette

Itineration Update

Summer has begun and we remain busy and excited as we continue itinerating. In April and May, we shared our call with churches in Florida. Also, we attended the Alabama and Peninsular Florida District Councils. It was a blessed time of fellowship and connection with pastors and leaders.

In June, we visited churches in Florida and Pennsylvania. We also attended the Southeastern Spanish District Council. It was a unique event, with a focus on both church planting and world missions. Immediately after, Miguel attended the Midwest Latin American District Council. Both events were a great time of fellowship and connection.

As we enter July, we continue to visit churches in Florida and Pennsylvania. Miguel just returned from the Spanish Eastern District Council and will be attending the Arizona Latin District Council later this month.

Thank you to all the pastors that have invited us to share with their congregations. **If we have not scheduled a service with you yet, please contact us.** We would love to hear from you.

Special Thanks

The Southeastern Spanish District's Girls' Ministries adopted our family as their missions project. Natalie and Niki were invited to be their special guests at this year's Powette and had a wonderful time. Over 25 Girls' Ministries from the district raised

a one-time cash offering for our family. We want to thank District Leader Awilda Reyes and district and local church leaders for the excellent work with Girls' Ministries and their support of missions.

Progress Report

As of July 15, we have raised **71%** of our monthly support budget. God is faithful! We want to thank every church and friend for their prayers and monthly financial support.

We are just a few months away from our departure to the mission field, and we need your help. We could still raise our budget in time to leave in August. If you have not done so already, **please make a monthly financial commitment today.** No amount is too small. You can access an online form via our website at www.mightyharvest.org. Partner with us today to reach Costa Rica with the Good News of Jesus. **We are ready to go today—we need to be sent.**
