Ministry Doors Open

In May and June, we continued our time of connecting with church leaders. We visited and ministered in churches and regional meetings. We met with national leaders, presbyters and pastors. We shared the vision for the regional Bible school and for church planting with pastors in the San Carlos area. We also traveled to Nicaragua for a few days to renew our Costa Rican visas.

Several ministry opportunities opened up in July. Miguel was invited to serve as a member of the Assemblies of God National Education Commission. Also, he was invited to be the Global University representative for Costa Rica. He began teaching a course at a Bible School extension, and will be teaching two courses in two different extensions during the next term. Miguel began a biweekly church planting series for a region's new pastors.

We want to thank you for your prayers as we gathered the required documents for residency. The last of the documents arrived recently and we submitted our applications to Immigration. We are waiting for a determination in about three months. Please continue to pray that the Lord gives us favor.

We are in Costa Rica fulfilling God's call through your continuous prayers and faithful financial support. **Thank you so much for partnering with us!**
