A privilege to serve

The apostle Paul thanked God for the privilege of being called to do His work: "I thank Christ Jesus our Lord, who has given me strength to do his work. He considered me trustworthy and appointed me to serve him" (1 Tim. 1:12 NLT). What a privilege it is to be entrusted with His work on earth!

Short-term missions team

We had the privilege and blessing of hosting a short-term missions team from Templo Luz del Mundo, Tampa, Florida. We had an exciting week of outreaches and ministry, working alongside three churches in the province of Alajuela. Over three hundred children were ministered to, many children and their parents accepted Christ as Savior and Lord, and each church and community was blessed through the team's ministries.

Bible School & Mentoring

We continue to teach at the Assemblies of God Bible School. The relationships built through the Bible School have gone beyond the classroom, and grown into mentoring relationships with students and pastors. The 2012 emphasis of the Assemblies of God in Costa Rica will be "Together Evangelizing". With evangelistic crusades, new converts, and new churches comes a great need for trained workers for the harvest.

Pray for:

- Revival in the Assemblies of God in Costa Rica
- Receptive hearts to the Gospel
- Financial provision for further ministry in Christian education and ministerial mentoring
- Increased enrollment in the AG Bible School and Global University
- Wisdom and divine guidance
- Strength and wisdom as we assume new responsibilities as PROCEPA Coordinator
- Divine protection as we travel throughout the country

Global University

Global University Costa Rica has over 40 students enrolled in an undergraduate program. Also, many churches will begin using Global's discipleship and leadership training resources as part of their Christian education ministries.

With several Bible School students, we established two study centers in the Talamanca Indigenous Reserve. Over 35 Bribri believers are enrolled in the discipleship or leadership courses, and another 30 will start in January 2012. Also, a Bible School professor recently began using these resources among Cabecar believers.

PROCEPA

We are excited to report that Miguel has been named the first PROCEPA Coordinator. PROCEPA is the certification program for professors and administrators of Bible institutes and seminaries in Latin America. Miguel will be promoting and further developing the program, as well as planning the workshops for national seminars and regional education summits. Thanks to the Latin America Education Resource and Advisory Center leadership team for the trust they have placed in us.

Thank you so much!

We are fulfilling God's call through the continuous prayers and faithful financial support of churches and friends. **Thank you so much for partnering with us!**
