April 2014

Hello friends,

The excitement and expectancy is building up as we draw even closer to our departure to Panama. This month, we are beginning to consider the move: packing and shipping, schools, residency requirements and so many other things related to our return. We ask for your prayers for God's guidance and ease of transition.

At the same time, we still need to raise the remaining balances of our budget as soon as possible. Thanks to all those who have partnered or committed to partnering with us, about 95% of our monthly budget and 55% of our cash needs have been raised. Praise the Lord! Please help us pray that the rest of our budget would come in quickly. It is our desire to be in Panama by July 1.

If you have made a monthly commitment but have yet to begin sending your offering, we ask that you please consider, if possible, giving your first offering this month. This will help us reach our one-time cash needs.

## Bible School Leaders Summit

In March, Miguel had the privilege of serving and teaching at the International Bible School Leaders Summit in San Salvador, El Salvador. Close to 500 attendees from 13 Latin American countries attended this four-day event.

During the Summit, Miguel coordinated and oversaw the logistics for the 25 certification workshops offered. He is the director of PROCEPA, the certification program for Bible School professors in Latin America. Leaders and educators left encouraged and with needed tools to continue training new laborers in their countries.

## We need your help

For us to continue impacting lives with the Good News of Jesus Christ, **we need your help.** Take a few minutes and ask the Lord what He would have you do. **Please help us today in a tangible and financial way through a monthly missions commitment and/or a one-time cash offering.** You can do this via [s1.ag.org/moralesgive](http://s1.ag.org/moralesgive) or visiting our website. No amount is too small. Thank you so very much for partnering with us.
