January 2013

Hello friends,

We are so thankful for the amazing journey of the past three years. We are humbled by the opportunities God gave us to serve so many people. **Together, we made a difference in the lives of so many people throughout Costa Rica.**

## Itineration

We are in the United States for itineration ministry in churches during 2013. Before returning to the mission field to our new assignment in Panama in 2014, we must raise cash offerings and additional monthly commitments from current and new supporting churches and individuals.

We are excited about what is happening on the mission field and want to share this with you. Please call, email or Facebook us to schedule a service or meeting.

## Panama awaits us

We believe that this is a great season for Panama and Latin America! There is an urgent need to reach the spiritually lost with the good news about Jesus, make disciples, and train ministry leaders.

Great opportunities are before us, but **we need your help today!** Please take a few minutes and ask the Lord what He would have you do. Consider helping in a tangible and financial way through a monthly missions commitment and a one-time cash offering. Thank you so very much!
