Hello friends,

Thank you everyone! Your sacrificial giving in response to our need is making it possible for us to continue the work on the mission field and complete our first term.

Some exciting and recent highlights are:

Indigenous Ministries

A firm foundation in the faith is being laid as hundreds are studying God's Word in a discipleship program. Many pastors and leaders are also studying as they work towards minister credentials.

Bible Schools

Professors from throughout Latin America received training seminars and workshops during the regional Educators Summit held in Costa Rica.

Discipleship

Hundreds are studying God's Word in discipleship and leadership training programs. Dozens of churches in Costa Rica have adopted Global University's materials.

Evangelism

A team from New Hope Assembly, Taylor, MI inspired a local church to renew their commitment to demonstrating and sharing the love of Jesus in their community.

Together, we are making a difference in the lives of so many people throughout Costa Rica and Latin America.

Your partners in the harvest,
Miguel, Maria, Natalie & Niki
