

The Morales Family - Serving in Costa Rica Miguel, Maria, Naty & Niki

Our first three months of itineration were very challenging and exciting!

Transition

In April and May, we began itinerating. At the same time, we were transitioning out of my secular job, sold our furniture and other household items, and moved to missionary homes in St. Petersburg, FL. Throughout this period of so many adjustments, the Lord gave us strength, patience and peace. Thank you for your prayers!

District Council

It was a blessing being at Southeastern Spanish District Council in June. Naty and Niki enjoyed the children's activities and services very much. Maria and I enjoyed greeting pastors and ministers in attendance. Thank you for stopping by our display booth and committing your prayer and financial support!

"The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."

Matthew 9:37-38

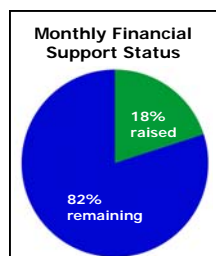

Missionary Training & Renewal

Immediately following District Council, we drove to Springfield, Missouri to attend this year's Missionary Training and Renewal (formerly School of Missions). Naty and Niki graduated from their MK Programs. Mom and Dad are so proud of them! Maria and I attended general and regional training sessions. We established friendships with several missionary families during our time in Springfield.

Itineration Update

It truly is a privilege sharing our call and burden for missions with churches. As of July 1, we have raised 18% of our monthly support budget. God is faithful! We want to thank every church and individual for their monthly financial commitment.

We have an urgent need in our cash budget. Please consider sending a special one-time offering that will speed up our departure to the mission field.

Prayer Needs

We continue full-time itineration into July with excitement and expectancy. Please pray for these needs in the upcoming months:

- New friendships with pastors and churches.
- A higher level of missions awareness in each church we visit.
- Protection as we travel to churches.
- Churches and individuals that will pray for us.
- Increases in both monthly support and cash budgets.
