

Morales Memo

September 2014

We have arrived!

We were so excited as we boarded the plane to Panama on July 16. After 18 months of itineration ministry, we made it to our departure date. We arrived in Panama that evening. We are thankful for missionaries Rod and Sherry Boyd. They have been such a blessing, welcoming us into their home for our first weeks in country and helping us in our transition.

With the Lord's help, we quickly began to put down roots: found a house to rent, acquired our Speed the Light vehicle, enrolled our girls in school, received our household items that were shipped from the U.S., and began gathering the final documents for our residency applications. There is still much more to do, but we are definitely settling in Panama.

The Lord has brought us here at a **pivotal moment** for Panama. God is doing great things! He is **calling workers** to go to an **unreached world**. He is sending them to bring **love** to at-risk children, offer **healing and hope** to victimized women from human trafficking, and **reach** out to university students seeking their purpose in life. It is **vital** to give these workers the tools and training they need to be effective witnesses for Jesus. This begins with a strong **discipleship** ministry in local churches, and continues with solid Bible and ministry **training** in Bible Schools. Please help us pray that God would open doors of opportunities and give us strategies to accomplish this **crucial** task.

We want to **thank you so much** for your steadfast prayers and faithful financial support. It is because of you that together, we continue to **make a difference** in the lives of many people in Panama and throughout Latin America.
