September 2015

Here are some exciting summer highlights:

Ministry in Schools

Natalie and Niki partnered with several teams from the U.S. in sharing the love of Jesus to hundreds of boys and girls in schools. Niki shares, "I have never felt so blessed to be here. Seeing the kids smile and praying over the young girls was such an amazing experience."

Ministry to Girls

Maria and Miguel coordinated a joint-ministry effort between Missionettes and Latin America Child Care schools in Panama, and a team of Girls Ministries leaders from the Florida Multicultural District. Hundreds of young girls, many from at-risk homes and with diverse needs, were ministered to. Dozens of Missionette leaders were encouraged and given tools to continue blessing girls in their communities.

Pray with us for:

- Revival in the Assemblies of God of Panama
- Receptive hearts to the Gospel, especially among indigenous peoples, Chinese and Arabs
- Spiritual growth in the lives of new believers through local church discipleship
- Increased enrollment in the Assemblies of God Bible School
- More Panamanians that respond to the call to ministry, especially to foreign missions
- God's wisdom and direction
- Divine protection as we travel to different areas

Bible Schools

The Ngöbe-Buglé Bible School trains pastors and leaders in remote areas who otherwise would not have access to a Bible school. We started this summer with over 56 students, and anticipate over 100 pastors and leaders in the upcoming months.

Miguel continues to teach at the Assemblies of God Bible School in Panama. This summer, he taught Bible School professor training seminars in Nicaragua and Argentina. Also, Bible School leaders received seminars and workshops during the Educators Summit held in Dominican Republic.

Together, we continue to make a difference in the lives of so many people in Panama and throughout Latin America.
