

Morales Memo

September 2016

Thank you friends! Together we continue to make a difference in the lives of so many people in Panama and throughout Latin America. Here are some exciting and recent updates:

Indigenous Ministries

Over 100 Ngöbe pastors and leaders are studying, being trained for ministry and working towards minister credentials. We direct this Bible School located in the remote, mountainous areas of Panama.

Missions Mobilization

Dozens of young people have recognized a missionary call from God. We are working closely with the National Missions Department to develop and define a clear path of training and mentoring for future missionary from Panama to the nations.

Pray with us for:

- Revival in the Assemblies of God of Panama
- Receptive hearts to the Gospel, especially among indigenous peoples, Chinese and Arabs
- Spiritual growth in the lives of new believers through local church discipleship
- Increased enrollment in the Assemblies of God Bible School
- More Panamanians that respond to the call to ministry, especially to foreign missions
- God's wisdom and direction
- Divine protection as we travel throughout the region

Latin America Resource & Training Center

In August, 380 leaders and professors attended the International Bible School Leaders Summit held in Bolivia. Combined with the Summit held earlier in Panama, close to 900 educators from across Latin America and the Caribbean participated of the general sessions, workshops, inspirational services. We are blessed to be a part of the leadership team that organizes these events and serves the more than 1,000 Bible schools in the region.

Bible Schools

A new generation of Pentecostal leaders is responding to God's call to serve, and must be trained. We just started a new Youth Bible School to meet this need. The first group of youth people between 16 and 26 years old are now studying and being equipped for ministry.
